BOARD OF SUPERVISORS

AGENDA ITEM

COUNTY OF SAN DIEGO

2019 MAR -4 AM 10:29

CLERK OF THE BOARD
OF SUPERVISORS

DATE: March 12, 2019

TO: Board of Supervisors

SUBJECT

**EVENING BUDGET HEARING TO ENHANCE CIVIC ENGAGEMENT AND
TRANSPARENCY (DISTRICTS: ALL)**

OVERVIEW

It is a priority for the board to create opportunities for all members of the public to weigh in on the County of San Diego Budget process, which sets and funds priorities over the coming years. As it currently stands, budget hearing sessions are scheduled during the morning hours, which is a barrier for many working residents who want the opportunity to voice their input. In order to enhance civic engagement and transparency in county government, we are recommending that this Board modify the schedule for budget hearings to include at least one evening session.

The recommended action is that the Board amend the 2019 Board of Supervisors regular meeting calendar (or call a special board meeting) to include an evening budget session on Tuesday, June 11 at 5:30 PM. Should a quorum of the Board of Supervisors not be available on this date and time the Chief Administrative Officer will determine another date.

RECOMMENDATION(S)

SUPERVISOR NATHAN FLETCHER AND SUPERVISOR JIM DESMOND

Direct the Clerk of the Board of Supervisors to amend the 2019 Board of Supervisors regular meeting calendar to include an evening budget session beginning at 5:30 PM on Tuesday, June 11 or any other evening of that week a quorum of the Board of Supervisors is available.

BACKGROUND

The County’s Live Well San Diego vision is to create a region that is Building Better Health, Living Safely, and Thriving. The Thriving strategy focuses on the importance of partnerships between government, stakeholders and community to work together in effective and creative ways to achieve success. Civic engagement in the legislative process is the embodiment of the Thriving component. As such, it should be a priority for the board to create opportunities for all members of the public to weigh in on the County of San Diego Budget process, which sets and funds priorities over the coming years.

As it currently stands, budget hearing sessions are scheduled during the morning hours, which is a barrier for many working residents who want the opportunity to voice their input. Although there are other modes to express input on the budget, such as electronic written communication, the act of appearing before legislators and conveying input is an experience that should be afforded to all citizens. In order to enhance civic engagement and transparency in county government, we are recommending that this Board modify the schedule for budget hearings to include at least one evening session.

The recommended action is to amend the 2019 Board of Supervisors regular meeting calendar (or call a special meeting) to include an evening budget session on Tuesday, June 11 at 5:30 PM. Should a quorum of the Board of Supervisors not be available on this date and time the Chief Administrative Officer will determine another date.

We urge your support.

LINKAGE TO THE COUNTY OF SAN DIEGO STRATEGIC PLAN

The proposed action supports the Thriving Initiative in the County of San Diego’s 2019-2024 Strategic Plan by conducting business as openly as possible, resulting in the efficient and ethical use of public funds.

Respectfully submitted,

NATHAN FLETCHER
Supervisor, Fourth District

JIM DESMOND
Supervisor, Fifth District
